## **RESOLUTION INDEX:**

**An Index To Lancaster Town Board Resolutions**

**FOR THE YEAR  
1994**

**ROBERT P. THILL  
Lancaster Town Clerk**

## **INTRODUCTION**

This Resolution Index was developed in an effort to make the legislative resolutions contained in the minutes of the Lancaster Town Board meetings more accessible to people. It should prove helpful in identifying resolutions which pertain to a specific subject and which were passed by the Lancaster Town Board at one of its meetings.

As the cover suggests, the index is a key word(s) index. Briefly, this means that the key word(s) from each resolution was identified and then arranged alphabetically and chronologically in this index. A more detailed discussion concerning the selection of key word(s) can be found in the "Guidelines for Use" section of this index.

This hard copy Resolution Index is produced from a data base maintained in the Lancaster Town Clerk's Office. The search capabilities of that data base far exceed the key word(s) search capabilities of this hard copy document.

To supplement your research by utilizing the expanded search capabilities of the data base in the Lancaster Town Clerk's Office, contact the Town Clerk.

Sincerely yours,

OFFICE OF THE TOWN CLERK

Robert P. Thill,  
Town Clerk

RPT/kk

### **GUIDELINES FOR USE**

This Resolution Index has been designed so that it is easy to use. However, in order to make it still easier to use, please review this "Guidelines for Use" section before attempting to use the index.

As mentioned earlier, this index is arranged by the key word(s) of each resolution passed by the Lancaster Town Board. The key word(s) are arranged alphabetically. The dates on the right hand side of each page of the index are the dates of Town Board meetings when the resolutions were passed by the Board. The page number directs the user to the first page of the indexed resolution. Page numbers are assigned annually beginning with the number "1" and are in ascending order.

Three (3) administrative resolutions adopted at every regular Town Board meeting are not included in this index due to their repetitive nature and lack of meaningful information. They are "Approve Minutes Of Prior Meeting", "Approve Building Permits", "Approve Audited Claims".
